

### Where to park at the Vineyard Centre

- A** These are the parking spaces behind the building. We have four small spaces indicated by the Vineyard sign, and sometimes if the chain is unlocked you can use other spaces in the evenings.
- B** These metered spaces outside the Hawkins Meeting house (Buckwell St) are free after 6pm. Also there are other side streets.
- C** These small car parks are metered and still charge after 6pm.
- D** Royal Parade is a convenient bus location for those getting public transport into the centre.
